Program Features:

All our Sting Athletes will be provided with the very best soccer environment to aid in their overall development. Our Coaching staff will deliver a top-class experience to ensure that all players can meet their true potential. Our Club will provide opportunities for player advancement through our player pathway.

All players matter and we look forward to having you be a part of our Sting Family!

STING SOCCER FOUNDATION

OVERVIEW:

The Sting Soccer Foundation is a 501(c)(3) non-profit organization established in 2010 and operated by five uncompensated board members. We are committed to ensuring every child has the opportunity to play soccer, regardless of financial circumstances. Through our need-based financial aid program, we provide seasonal assistance to families, helping young athletes stay on the field. In partnership with Sting Soccer Club, we offer year-round fundraising opportunities to offset costs. We also emphasize community service, encouraging players to give back and grow into well-rounded individuals. Every child deserves the chance to play, grow, and succeed—both on and off the field.

FINANCIAL AID:

The Foundation maintains a dedicated Financial Aid Fund supported through annual fundraising efforts. Families may apply each season by submitting an application and most recent tax return.

Application Window: **May 15 – July 15**

Decisions Released: **August**

Award Amounts: Based on demonstrated need and available funds

FUNDRAISING OPPORTUNITIES:

The Sting Soccer Foundation offers several fundraising opportunities throughout the year to help families offset soccer-related expenses.

Texas Raffle:

One of our primary efforts is the Club-Wide **Texas** Raffle, held in partnership with Sting Soccer Club. Each player is required to sell 10 tickets (\$200 total). The first \$200 supports the financial aid fund for their division. Any additional funds raised can be applied toward soccer dues, and once dues are covered, remaining funds may be used for travel and tournament expenses. ***If a family chooses to opt out of participation, a minimum \$200 donation will be required in lieu of ticket sales.***

HundredX:

Held in August, September, and October, this initiative allows participants to earn funds by completing short surveys. It is a strong opportunity for teams to raise money collectively.

Texas Rangers Fundraiser: (NTX)

Families can work concession stands at games, with earnings applied directly to soccer expenses.

Custom Fundraising Opportunities:

The Foundation supports team-level fundraising ideas and partnerships with local businesses, ensuring efforts are structured, compliant, and successful.

Donations:

As a registered 501(c)(3), the Foundation can accept tax-deductible donations on behalf of players, teams, or divisions. Donors receive a tax receipt, and funds are distributed based on donor intent. A 4% processing fee is applied to cover administrative costs.

Initiatives: Community Service:

All Sting players are required to complete 10 hours of community service each season. The Foundation helps coordinate opportunities and collect reporting forms. Past service efforts include volunteering with The Salvation Army, local food banks, and assembling Hope Kits for breast cancer patients.

Sting in Pink:

Each October, players participate in Sting in Pink for Breast Cancer Awareness Month. Player's purchase and wear Sting in Pink shirts, with proceeds donated to a breast cancer charity. Teams also take part in service activities such as assembling Hope Kits, promoting awareness and community impact.
